设色山水 *Imagined Landscape*

杨泳梁 Yang Yongliang

《设色山水》是我在全球疫情的这一年中完成的一些列新的图像。在2020/2021疫情隔离期间，我在纽约想着上海。这次疫情影响到了世界上的所有人，即使一时间说不上来自己到底因此发生了什么变化，我相信每个人都不约而同地成长和改变了。过去十年的创作中，我一直都能在自己的作品中找到平静，创作对我而言像是一个私人庇护所，我总是可以像一个隐士回归乌托邦一样回到那里。然而现在再看过去的作品，似乎觉得太沉重了。因此我试着构想一个新的地方，给人带来温暖和欢愉的地方、以及充满色彩的地方。这个系列献给变幻无常的世界，尤其是带着希望继续生活的人们。

Imagined Landscape is a new series of images conceived during the pandemic. When the world turned black and white during the 2020/2021 COVID lock-down, I stayed in New York rethinking about Shanghai. The pandemic has affected everybody in the world, even though we might not be able to articulate what's been changed in us, we're all responding to it in one way or the other. For more than a decade I always find peace in my own works, it's a sanctuary for me like a hermit having their own private utopia. But as I look at them now I almost found them too heavy to go back to, so I imagined something new, something charming and delightful, with colors. This series is dedicated to a shifting world, and especially for the ones who remain hopeful moving forward.
